Wendy, Waymo does not oppose a request for clarification that “customers,” “suppliers,” “consultants,” and “agents” (as used in Paragraphs 2 and 3 only) should be limited to Defendants’ customers, suppliers, consultants, and agents related to LiDAR. We intend to drop a footnote in our Objections noting this.

David,

This is a reminder to let us know your position on the self-driving vehicles issue I raised on the call so we know whether we need to file anything at noon. Thanks.
